

The Property Management Association of West Michigan promotes integrity and sound business methods and services. The association serves as a Legislative Representative for owners and management companies on a local, state and national level. It also provides educational opportunities that include National Designations, as well as, industry-related educational seminars and workshops on topics such as Fair Housing, Leasing and Marketing skills and many others.

In addition, PMA of West Michigan provides a network for associate members or "Business Partners" that support the industry by supplying goods and/or services.
